

Joshua: God Wins Joshua's Battle at Jericho Joshua 6

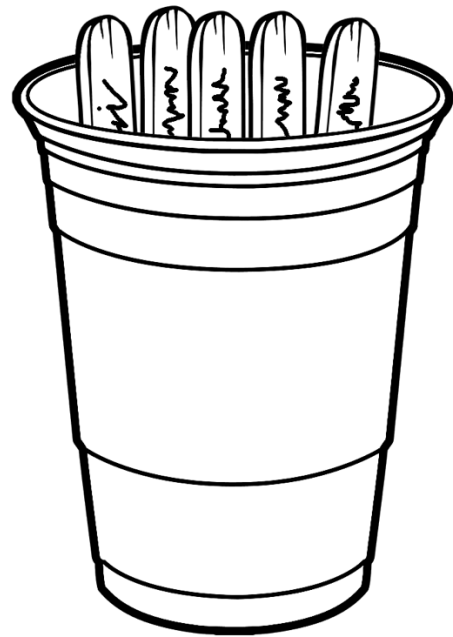

God is ready to lead his people into the Promised Land—starting by taking over the city of Jericho. But it has big walls and seems scary to conquer. With God's help, the Israelites march around the city for seven days and the walls fall down! God gives us courage.

"This is my command—be strong and courageous! Do not be afraid or discouraged. For the Lord your God is with you wherever you go" (Joshua 1:9).

Family Together Time

- Grab a cup and some craft sticks (or long slips of paper).
- Together, think of some things you could do for God that would take courage. For example, telling someone about Jesus, offering to help a neighbor, praying before lunch in public, reading your Bible in front of other people, or inviting someone to church.
- Write each idea on a different stick.
- Put all the ideas in a cup.
- Each day, everyone will pull out a challenge and ask God for courage to do that task. Or you could pull out one challenge and have everyone in the family do it.
- Encourage each other, and talk about what's scary about the challenge.
- Put your challenges back at the end of each day so you'll have a full cup ready for the next day.

Talk About This...

- Tell about a time you felt strong and brave.
