

NEHEMIAH REBUILDS THE WALL CRAFT

Instructions:

Step 1. Glue several craft sticks together to form a wall, leaving spaces in between each section.

Step 2. Use the clay, play dough or flour dough to create “stones” and to begin building up the wall just as Nehemiah did. To help secure the clay or dough to the craft stick wrap them around the sticks leaving the top stick free. You may paint the clay to resemble stones, if you want.

Step 3. When done, write “**God, is stronger**” on the top craft stick.
