

# Fiery Furnace Box Craft

## Materials:

- Shoe box or any box available either big or small
- Crayons or coloring pencils
- Orange or red tissue paper
- Brown colored paper
- Glue
- Scissors
- 3 friends template and fire picture from below or draw your own

## Instructions:

- Cut rectangles using your brown colored paper.
- Paste the rectangles on the inside of the box or draw your own, this will represent the wall.
- Cut around and color the 3 friends template below or make your own. Use your creativity.
- Smash your tissue paper, this will represent the flames.
- Paste tissue paper on the back row.
- Paste the 3 friends in the middle and paste more tissue in front.
- Decorate your furnace box.

**Challenge:** If you are older and want a bigger challenge, create a big craft box or a big fiery furnace box. Use your math skills and your creativity.
