

Stephen gets in trouble with Jewish leaders. People tell lies to say he is speaking against God. Stephen preaches the truth about Jesus, and they get even more angry. They kill Stephen, and as they do, Stephen prays to forgive them. God helps us forgive our enemies.

*"This means that anyone who belongs to Christ has become a new person. The old life is gone; a new life has begun!" (2 Corinthians 5:17).*

### Through the Week

- Choose a bathroom everyone in your family uses.
- Throughout the week, when anyone in your family is angry at someone, the angry person will make a smudge on the mirror with his or her finger.
- At the end of the week, look at your reflections in the mirror.
- Talk about the effect it has on you when you refuse to forgive someone.
- Clean the mirror together, and ask for God's help to forgive others.

### Talk About This...

- Tell about a time it was really hard to forgive someone.
