

Ethiopian Chariot

Materials:

A paper cup

Markers

Scissors

2 brass fasteners

A piece of string

Stickers for decoration

Wagon wheels (www.morePrintabletreats.com)

1. Draw a U shape on the back of the cup.
2. Using a scissor cut along the U shape. Be careful when cutting, ask an adult for help.
4. Ask an adult to help and poke 2 small holes on the side of the cup.
3. Download the wagon wheels below, cut out 2 wheels and colour them.
4. Insert the fasteners through the wheel and then insert the wheels on to the cup.
5. Tie the strings around the fasteners and then decorate the cup.
